**End Application:**

An/aaq-9, detecting set, infrared

**General Description:**

Item consist of temperature switch p/n414914-27, cooler and detector p/n335668-1, adapter p/n881711-2, detector focus cam p/n330841-1, retainer p/n881645-1, cooler and detector support p/n323898-2

**Fsc Application Data:**

Aircraft gunnery fire control components

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
