End Application:

Air data subsys, cobra hcpt

General Description:

Nsheath matt, inconel; conductor matt, nickel chrome; insulator powder, alumina; 16.000 in. Body lg; 5.000 in. Body dia; 2.000 in. Projection lg of solid conductors; 6, 000 in. Solid cond proj lg w/viton sleeves; two flexible p.T.F.E. Covered leads; 10.000 in. Projectionlg on tapered end; 1.030 in. Taper dia; oper volt 115v; cold resist 87 ohms; 180deg c maximum oper temp at connector; lead out wire 19 strand tinned copper habiatype e2219; insulation hermetically sealed at point of entry

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
