End Application:

Used on pilot night vision sensor assembly

Special Features:

Circuit card assembly 6; chassis assembly 1; cover assembly, access 1; plate, identification 1

Specification Data:

04939-13080410-029 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A30800
