An/aaq-14 lantirn targeting pod

**Criticality Code Justification:** 

Feat

**Special Features:** 

Electrostatic discharge sensitive; t.O. 11f1-aaq14-4

**Relationship To Similar Equipment:** 

Differs from p/n 717535200-329 by a software change as listed in tcto 11f1-aaq14-558

**General Description:** 

The central electronic unit (ceu) contains digital circuitry controlling the laser, flir, and servo contrl subsystems, 1a5, and the aircraft. The ceu contains 15 ecas

Shelf Life:

N/a

**Unit Of Measure:** 

--

**Demilitarization:** 

Yes - demil/mli
