End Application:

Howritizer 155-mm, m-198

Housing Material:

Brass, qq-b-626, alloy 360, 1/2h

Attachment Method:

Mounted in holder by pin and plug

Vial Graduations:

Not included

Vial In Accordance W/military Std:

Provided

Military Standard Designator:

Ms35103-4

Vial Shape:

Cylindrical

Special Features:

Light source of vial is tritium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T370-c
