Gross Weight:

80.0 shipping container pounds

Hazardous Material Classification Code:

1.2 department of defense hazard class division and i department of transportation class and (12) inhabited building distance and d storage compatibility group

Package Reference Number:

Mk3 tank

General Description:

F/5 inch 25 caliber, aac, mk36 all mods, w/mtf mk50, adf mk54, bdf mk28, expl d ldd

Reference Number Differentiating Characteristics:

As differentiated w/mtf, w/adf, w/bdf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
