**Holder:**

Not included

**Model Number:**

T46e4

**Design Type:**

Tail

**Item Content:**

Inert filled

**Locking Pin Drilled Hole:**

Provided

**Package Reference Number:**

Milstd1169 us army

**Dod Ammunition Code:**

1325-f403

**Special Features:**

Same assembly listing as t46e3

**Gross Weight:**

55.0 shipping container pounds and 55.0 pallet pounds

**Package Nominalheight:**

9.50 inches shipping container

**Package Nominallength:**

46.00 inches army pallet

**Package Nominalwidth:**

9.56 inches shipping container

**Quantity Per Shipping Container:**

6

**Reference Number Differentiating Characteristics:**

As modified by item content, unit package quantity, unit package type

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T147-I
