Holder:

Not included

Model Number:

T46e4

Design Type:

Tail

Item Content:

Inert filled

Locking Pin Drilled Hole:

Provided

Package Reference Number:

Milstd1169 us army

Dod Ammunition Code:

1325-f403

Special Features:

Same assembly listing as t46e3

Gross Weight:

55.0 shipping container pounds and 55.0 pallet pounds

Package Nominalheight:

9.50 inches shipping container

Package Nominallength:

46.00 inches army pallet

Package Nominalwidth:

9.56 inches shipping container

Quantity Per Shipping Container:

6

Reference Number Differentiating Characteristics:

As modified by item content, unit package quantity, unit package type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T147-I
