**Hazardous Material Classification Code:**

I coast guard class and 1.2 department of defense hazard class division and j department of transportation class and ii firefighting group and (04) inhabited building distance and g storage compatibility group

**General Description:**

C/o initiator 1131as119, pellet bag holder 2846542, ignition material as1876, pellet bag 1131as112, igniter charge insul container 1131as135, shorting plug 2841793, wiring harness assembly 1131as107, safe arm assembly 1131as115, 5.36 in. Lg., 5.60 in. W., 4.50 in. H., wt. 4.18 lbs, used with rocket motor mk58-3, pkg 1 per container iaw 1131as140

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli
