Model Number:

Mk62 mod 0

Item Content:

Explosive filled

Operational Assembly Designator:

03

Configuration Code:

A

Dod Ammunition Code:

1351-u100

Dot Registration Code:

Ex1987110786

Net Explosive Weight:

192.570007 storage pounds and 192.570007 transportation pounds

Hazardous Material Classification Code:

1.1 department of defense hazard class division

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T148-b
