Model Number:

Mk52mod13

Item Content:

Explosive filled

Operational Assembly Designator:

13

Configuration Code:

A

Dod Ammunition Code:

1351-un20

Dot Registration Code:

Ex1987110808

Net Explosive Weight:

596.5 storage pounds and 596.5 transportation pounds

Hazardous Material Classification Code:

1.1 department of defense hazard class division

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T148-b
