Physical Form:

Granular

Container Type:

Fiber drum

Special Features:

Wcr 845 for m856 tracer

Hazardous Material Classification Code:

1.3c department of defense hazard class division and 1.3c department of transportation class

Reference Number Differentiating Characteristics:

Coating and application

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T165-f
