Diameter:

0.191 inches

Length:

17.000 inches

Environmental Protection:

Waterproof

Exterior Covering Material:

Steel

Termination Type:

Any acceptable

Filler Material:

Hexanitrostilbene, hns type 1, grade a

Cross-sectional Shape:

Circular

Dod Ammunition Code:

1377-sn10

Special Features:

Smdc assembly; used on f-15 acft

Gross Weight:

0.2 shipping container pounds

Quantity Per Shipping Container:

1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T165-c
