**Diameter:**

0.320 inches

**Length:**

3.850 inches

**Mounting Bracket:**

Not provided

**Time Delay Feature:**

Not included

**Jaw Diameter:**

0.173 inches

**Firing Wire:**

Included

**Wire Length:**

2.500 inches

**Identifying Number:**

Model a130-13

**Special Features:**

Cutting capaci type 750 lb nylon line; body anodized aluminum; color red; operating temp m65 to p200 degrees f; current range 1.0 to 3.5 amps; wires 0.020 in diameter tin plated 52 alloy; wt 0.220 oz

**Specification Data:**

60880-rrl atp 8109 manufacturers specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T190-h
