Overall Length:

300.0 millimeters

Overall Height:

100.0 millimeters

End Application:

Rpv-m

Component Identifying Number:

Dsi-500-0410

Product Name:

Gripper assembly, heavy duty

Special Features:

Dsi-500-0410 is the manipulator or remote control clamp for the rpv-m; constructed from aluminium and has a black anodised finish and consists of an electric motor, working in conjunction with the rpv-m systems, controlled by the operator via the ocu; fitted with a black plastic mounting knob, enables it to mount to the mast clamp; gripper assembly includes a gearbox that functions by rotation of the electric motor; gearbox articulates the two gripper fingers, allowing the operator to open and close gripper to clamp items for retrieval or movement by the operator; length not include electrical cable, 300 mm; gripper finger length, 165 mm

Color:

Black

Material:

Aluminum and plastic

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
