End Application:

Patriot, surface to air missile

Head Load Type:

Explosive

Product Name:

Guided missile, intercept patriot mim-104a

Dot Registration Code:

Ex1988100450

Hazardous Material Classification Code:

8 inhabited building distance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T357-a
