Head Type:

Antiaircraft

Package Model Number:

Mk199 mods

Model Number:

Rim-67b-4

Head Load Type:

Explosive

Dot Registration Code:

Ex1987090459a

Net Explosive Weight:

75.220001 storage pounds and 765.219971 transportation pounds

Special Features:

Standard, extended range, sm-2, block 1

Hazardous Material Classification Code:

1.1 department of defense hazard class division

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T357-a
