Model Number:

Ugm-109c-2r

Head Load Type:

Explosive

Dot Registration Code:

Ex1987090326i

Special Features:

89 baseline improved mk missile; encapsulated submarine vertical launch

Hazardous Material Classification Code:

1.1 department of defense hazard class division

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T357-a
