Overall Width:

0.032 inches

End Application:

Sr73aj1 guided missile

Special Features:

Cross-sectional shape arched; inside corner radius 25.63 in; device thd fastener; mtg opening shape unthreaded hole; hole diameter 0.218 in

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
