Mounting Method:

Hole/slot

End Application:

Lgm-30

Specific Use:

Electrical equipment

Material:

Aluminum alloy

Material:

Aluminum alloy

Supplementary Features:

Length between end mounting holes 2.290 in. ; semicircular shaped w/inside radius of 1.120 in

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T23700
