Model Number:

Wcu-5b/b

Hazardous Material Classification Code:

li-c coast guard class and g department of transportation class and ii firefighting group and s storage compatibility group

General Description:

Wcu-5b/b; 22.64 in. Lg; 8.00 in. Dia; wt. 76.18 lbs; dod code 1420-ph62; for aim/rim-7m guidance control wgu-5d/b; pkg best commercial pack

Fsc Application Data:

Guided missile

Reference Number Differentiating Characteristics:

Pkg best commercial pack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
