**End Application:**

Peacekeeper stage ii

**Criticality Code Justification:**

Text

**Functional Description:**

Fits gas generator

**Nuclear Hardness Critical Feature:**

Hardened

**General Description:**

Material silicone rubber per spc-34582 type i; nuclear hardness critical; 2.25 in. Inside diameter; 1.12 in. Long; 90 degree slot cut away

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A23900
