End Application:

Peacekeeper stage ii

Criticality Code Justification:

Text

Functional Description:

Fits gas generator

Nuclear Hardness Critical Feature:

Hardened

General Description:

Material silicone rubber per spc-34582 type i; nuclear hardness critical; 2.25 in. Inside diameter; 1.12 in. Long; 90 degree slot cut away

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
