Model Number:

Wgu-5d/b

Hazardous Material Classification Code:

li-c coast guard class and g department of transportation class and ii firefighting group and s storage compatibility group

General Description:

Wgu-5d/b; complete with radome cw-1178b/d, guidance section wgu-6b/b and control section wcu-5b/b with wings and fins for aim/rim-7m; 68.81 in. Lg; 8.00 in. Dia; wt. 192.75 lbs; dod code 1427-pl26; pkg 1 per cnu-243a/e cntr

Fsc Application Data:

Guided missile

Reference Number Differentiating Characteristics:

Pkg 1 per cnu-243a/e cntr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A23900
