Criticality Code Justification:	Criticality	Code	Justifica	ation:
---------------------------------	-------------	------	-----------	--------

Feat

Special Features:

Design analysis, hci, and tolerance critical

Nuclear Hardness Critical Feature:

Hardened

General Description:

2.502 in. Dia, 0.095 in. Thk

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
