End Application:

C-5 galaxy airplane...

Aircraft Mission Design Series:

C-5

Special Features:

Matt; aluminum honeycomb core

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
