End Application:
C-5 galaxy airplane
Aircraft Mission Design Series:
C-5
Special Features:
Matt; stock size 269.000 in. Lg, 26.000 in. W, 0.069 in. Thk, heat treat per t6
Material:
Aluminum alloy
Material Specification:
Qq-a-250/17 federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
