Overall Length:

46.600 inches

Overall Width:

14.260 inches

Special Features:

With aluminum honeycomb core per mil-c-7438

Material:

Aluminum alloy

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
