**End Application:**

Aircraft model a-7

**Aircraft Mission Design Series:**

A-7

**Special Features:**

Chemically milled; stock size 37.900 in. Lg; 8.100 in. W; 0.090 in. Thk

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/12 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
