Overall Length:

12.940 inches

Aircraft Mission Design Series:

F-4c

Special Features:

Bend on each eng, first bend on rh end 0.940 in. Lg, second bend on rh end 0.510 in. Lg, first bend on lh end 0.240 in. Lg, second bend 1.280 in. Lg

Material:

Aluminum alloy 7178

Material Specification:

Qq-a-200/3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
