Securing Device Type:

Hinge

End Application:

F-5/t-38 aircraft

Special Features:

Per fscm 96906, no ms27253f1

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Fsc Application Data:

Door instl, nose gear wheel, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531m0
