Overall Length:

13.000 inches

Overall Width:

9.000 inches

Material Thickness:

0.020 inches

End Application:

E-2c aircraft

Material:

Glass

Material Specification:

Qq-a-250/12 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
