Overall Length:

2.300 inches

Overall Width:

1.050 inches

Material Thickness:

0.200 inches

Aircraft Location:

Glove door bracket

Aircraft Mission Design Series:

F-111

Material Specification:

Qq-a-250 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
