End Application:

Aircraft model a-7

Aircraft Mission Design Series:

A-7

Special Features:

Stock size 56.200 in. Lg; 4.000 in. W; 0.063 in. Thk

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
