Securing Device Type:

Threaded fastener

Mounting Opening Shape Style:

Threaded hole

End Application:

Oh-58c/d helicopter

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5, o federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
