Overall Length:

5.400 inches

End Application:

C-5 acft

Special Features:

Used on fitting-winch support, forward ramp

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
