Material Thickness:

0.020 inches

End Application:

Ch-47 aircraft

Aircraft Mission Design Series:

Ch-47

Material:

Aluminum alloy 2024

Material Specification:

Oo-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
