Overall Length:

3.950 inches

Overall Width:

3.500 inches

Material Thickness:

0.025 inches

End Application:

F-4

Material:

Aluminum alloy

Material Specification:

Qq-a-250/15-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
