**End Application:**

Aircraft model kc-135

**Side For Which Designed:**

Right side

**Aircraft Location:**

Inboard nacelle

**Aircraft Mission Design Series:**

Ck-135

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250.4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
