End Application:

Aircraft model kc-135

Side For Which Designed:

Right side

Aircraft Location:

Inboard nacelle

Aircraft Mission Design Series:

Ck-135

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250.4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
