Overall Length:

2.270 inches

Aircraft Mission Design Series:

C-141a

Special Features:

U/a: spoiler drive tube fitting; temper t651; matl: 2.860in dia

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-225/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
