Securing Device Type:

Flush catch

End Application:

S-3a/b aircraft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4, cond o federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A531h0
