End Application:

Kc-135 tanker airplane

Aircraft Location:

Airframe structural component

Aircraft Mission Design Series:

Kc-135

Special Features:

Material alclad alloy, stock size 0.051in. Thk, 6.500 in. W, 13.500 in. Lg

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
