**Overall Length:**

4.100 inches

**Overall Width:**

3.100 inches

**Material Thickness:**

0.312 inches

**Aircraft Location:**

Outbd aileron hinge

**Aircraft Mission Design Series:**

T37

**Special Features:**

C/o 1 lh support, 1 bearing

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-355 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
