Overall Length:

4.100 inches

Overall Width:

3.100 inches

Material Thickness:

0.312 inches

Aircraft Location:

Outbd aileron hinge

Aircraft Mission Design Series:

T37

Special Features:

C/o 1 lh support, 1 bearing

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-355 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
