Overall Length:

5.940 inches

Overall Width:

1.300 inches

Material Thickness:

1.700 inches

Aircraft Mission Design Series:

F-104

Special Features:

U/a: tip tank latch assembly support; matl: 3740steel

Material Specification:

Mil-s-6049 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800

Mil-std (military Standard):

Mil-s-6049 spec.
