Aircraft Location:

Uplock, forward door

Aircraft Mission Design Series:

F-104a

Special Features:

Composition 10, rectangular serrated base w/4 ea elongated mtg holes

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-367 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
