**Aircraft Location:**

Uplock, forward door

**Aircraft Mission Design Series:**

F-104a

**Special Features:**

Composition 10, rectangular serrated base w/4 ea elongated mtg holes

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-367 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11800
