Overall Length:

9.600 inches

Overall Width:

0.600 inches

Material Thickness:

0.032 inches

End Application:

B-52 bomber airplane

Aircraft Location:

Starter installation p/n 35-31840

Aircraft Mission Design Series:

B-52

Special Features:

5 mtg slots, 0.218 in. W, 0.400 in. Lg

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
