Overall Length:

23.400 inches

Overall Width:

12.500 inches

Thickness:

0.020 inches

Aircraft Location:

Door, armament bay, aircraft

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
